Site is complex structures, made of masonry  
 with several varying dimensions including impressively tall,  
 varying heights & shapes, with surrounded feel, as if walled or  
 fenced. Site is "sectioned" and seems to be quite  
 intricate.

## Run #2 Summary

B100B

Reminded of SCIF

solid metal entry door w/ TV monitor camera\*\*

Inside

room is as follows  
Sparsely, white, pale green.

people in room as suggestive of medical personnel, 30-40 yrs old; only males perceived. Seemed to be working with precision instrument (analyzer).

One ~~seen~~ or two seemed to be in charge, & were instructing or giving directions to others.

Astringent smell - alcohol, disinfectant or something.
